

SUBMISSION OF MANUSCRIPTS

Baobab Books is based in Switzerland and publishes in the German language.

Our programme includes picture books and novels for children and young people from African, Asian, Latin American, Oceanian and the Middle Eastern authors and illustrators. We wish to widen the horizon of young readers and promote an intercultural dialogue throughout our book programme.

Despite our long backlist our programme is growing only slowly: we publish 3 to 4 new titles per year. Every book shall match our profile as an intercultural publisher of children's book of quality. Our focus is on contemporary fiction titles, please do not submit folk and fairy tales.

If your book or manuscript fulfils the above-mentioned requirements, please send us initially a synopsis and a sample chapter and sample illustrations along with a short biography of your person by email.

We will be happy to read your submission if the basic requirements are fulfilled. Please be aware that the process might take some time. We will get back to you as soon as possible and will let you know if we wish to see the full manuscript for further consideration.

Please note that we will not be able to provide any feedback, or return samples, please do not send originals.
